

MSD ANIMAL HEALTH / WORLD VETERINARY ASSOCIATION VETERINARY STUDENT SCHOLARSHIP PROGRAM 2020

MSD Animal Health and the World Veterinary Association (WVA) are delighted to announce the 2020 Veterinary Student Scholarship Program that is dedicated to veterinary students from four world regions with the aim of enhancing their academic experience.

Following the successful delivery of the MSD Animal Health/WVA Veterinary Student Scholarship Program [2016](#), [2017](#) and [2018](#), MSD Animal Health and WVA agreed to continue the successful collaboration and to launch the 2020 Veterinary Student Scholarship Program to include **41 scholarships of US\$ 5,000 (of a total of \$205,000)** to be granted to selected students from countries in the regions of **Latin America** (16 grants), **Africa** (10 grants), **North Africa/Middle East** (10 grants) and **Asia/Oceania** (5 grants).

Eligibility requirements for students:

- Not a recipient of any previous MSD Animal Health/WVA scholarship.
- Citizen of one of the countries under the grant coverage.
- Currently registered for academic year 2019-2020 at a recognized school of veterinary medicine in the country.
- Have successfully completed all first-year exams.
- Registered in the second - or third-year year of program (or equivalent if the program is longer than 4 years).
- First and last year students are not eligible candidates for this scholarship program.

The applications will be reviewed by an ad hoc committee of the WVA Veterinary Education Working Group. The announcement of the selected students will be published on **15th June 2020** on the WVA website and media channels.
